Charity Golf Day, The Renaissance Club

THURSDAY 9TH MAY 2024

INVITATION & BOOKING FORM

Our biennial Charity Golf Day is back for 2024, hosted at The Renaissance Club, home to the Genesis Scottish Open. Just a handful of opportunities exist for non-members to play this course and, as a proud chosen charity of The Renaissance Club Charity Foundation, our Charity Golf Day is one of them. Bring your clients and friends to our 4-Ball Stableford competition and we guarantee they'll enjoy an incredible afternoon of golf, with surprises on the course, followed by evening dining, and our spectacular auction.

We are grateful to both The Renaissance Club and Tomorrow Today for supporting this event.

THE VENUE

The Renaissance Club, home of the Genesis Scottish Open, nestles on 300 acres of the famous golfing coastline of the Firth of Forth. At one time The Renaissance Club made up a portion of the 1000 acres of Archerfield Estate, a famous and historic property that includes an old manor home from the 17th century. The club is the only portion of the estate that still remains on the natural windswept dunes common to the links terrain along this coastline.

The Renaissance Club was founded on respect for the traditions of the game. Tom Doak was hired to create a world-class course with regard to his renowned ability to move very little earth; showcasing the natural features of an incredible property such as Renaissance. Our greens crew hails from the local area and brings vast experience of links turf. The condition of the course is paramount and has already resulted in the Renaissance Club being approached with regard to hosting major international tournaments. At over 7300 yards, par 71, the back tees are not for the fainthearted. Fear not as the variety of tees allows members to mix and match teeing grounds on a hole-by-hole basis, usually dependent on the wind!

THE EVENT

The Renaissance Club has generously given Muirfield Riding Therapy use of the Clubhouse and the Course for the event.

The format is a team fourball stableford with a shotgun start from designated tees at 1.30pm. A Fore Caddy will join teams without a Renaissance Club member, to improve your experience of playing the course. Please see booking information. A light lunch will set you up for play, with complimentary drinks served throughout the day, and evening Dinner will be a real highlight. Please indicate any special dietary requirements for any Team member in the section below.

ITINERARY

Guests are welcome to make use of the practice ground from **10.30am** onwards

9.15pm The PrizeGiving Ceremony

9.30pm Formal end of the event, guests welcome to stay on till midnight

YOUR MOTIVATION

This Muirfield Riding Therapy Golf Day at The Renaissance Club is our most important fund raising opportunity of 2024. Our charity is one of the largest dedicated Riding for the Disabled Association centres in Scotland. It is fully self-funded, and our service is provided free-of-charge to ensure it is accessible to all who need it. Our aim is to ensure that you and your playing partners enjoy a wonderful outing and are inspired to support Muirfield Riding Therapy on the day and perhaps in the future as well.

There will be splendid prizes for winning teams, for the Longest Drive, Nearest the Pin, Beat the Pro, and Hole in One. An auction will enrich the experience.

TEAM DETAILS

Please download and save this editable form to your device, complete it and return to fundraising@muirfieldridingtherapy.org.uk

Your booking will be confirmed once your team payment has been received.

Team Name:
Team Captain Full Name:
